Subject: PROPOSITION A SUSTAINABLE BUILDING STANDARDS - ENERGY AND CONSERVATION GUIDELINES

Review and Adoption of **Proposition A Sustainable Building Standards - Energy and Conservation Guidelines** as presented by the Board's Accreditation and Planning Committee and the Chancellor.

Background: On March 6, 2002, the Board of Trustees adopted "Sustainable Building Principles and Standards for Proposition A Capital Improvements." A component of the Sustainable Principles and Standards involved the development of Districtwide Energy and Conservation guidelines. With the assistance of District consultants and constituency groups, the Board's Accreditation and Planning Committee has conducted a series of public discussions and is now forwarding along with the Chancellor its recommended guidelines.
